**Notes on Import of TDS Non-Interest return details**

1. A csv format file has been designed for the uploading of TDS Non-Interest details. Refer to format above.
2. Payer/Payee details with rows and columns as specified above can be created/exported in an excel file and saved as a comma separated value (csv) file.
3. User will have to upload csv file using Import facility available under Utilities Menu. If option is not available, system administrator will have to grant access.
4. If file contains errors, user will have to correct the errors in the csv file and re-import.
5. If NO errors are found in the file, the system will provide a button to allow the user to retrieve the return created by the system.
6. Maintenance of payee details can also be done in the return itself.
7. User will have to insert payment details before user can submit return to MRA.
8. User can import more than one file for same company/tax period, provided that the previous return for same company/tax period has already been Sent.

Sample file should be as follows:-
